Sports clubs set to cash in on funding

SPORTS projects in Honiton are set to be handed a financial boost worth £50,000, after funding was made available by East Devon District Council to provide new facilities.

Community groups and sports clubs were asked to come forward with their suggestions for how the money could be spent, and Honiton Town Council has now narrowed the initial list of ten proposals down to three.

The proposed projects, which were due to be approved at the town council meeting last night (Monday), include:

- a petanque court to be situated at Mountbatten Park Sports and Social Club, at a cost of £14,400;
- a metal sports wall containing netball and basketball facilities at Allhallows playing field, at a cost of £15,000;
- and a permanent safety barrier to be constructed around one of the rugby pitches, also at Allhallows – the club has requested £22,500.

The proposals were due to be put to a public vote, but the total cost of the projects amounts to just under the £50,000 allocation, so all three are set to go ahead.

Mayor of Honiton, Councillor David Foster, said: "Sports facilities is something that the town has lacked massively for some time, and has been identified by many different groups.

"We are taking a step in the right direction in funding these projects and I am confident this will be a sign of things to come."

Over a period of six months, Honiton Town Council worked with the district authority to publicise the funding award, and encouraged community groups to offer their own ideas for where the money could be spent.

Funding was made available through Section 106 planning agreements, and will now be put back into the community to pay for the suggested sports projects.

The work to be carried out at Allhallows will help to bring the rugby club's facilities up to league standards, and meet some of the safety requirements outlined by the Rugby Football Union ahead of the new season.

Andy Canniford, treasurer at Honiton Rugby Club, said: "It is fantastic news for the club – for both the junior and senior sections.

"The junior section is growing year on year and they bring a range of people down from the town.

"The new barrier will enhance wheelchair and disabled access to the pitch, and help to professionalise the club in general. We have a five-year development plan with an ongoing project to develop the clubhouse, and this funding has given us a real boost."

SPRING FAIR | Residents from Abbeyfield Honiton at Stanhope House raised £310 towards outings and events at their annual spring fair this week. There was a selection of stalls and a range of games and prizes on offer, with volunteers supplying cakes, cream teas and other refreshments. Also included in the entertainment was a tombola and raffle, with prizes kindly donated by local businesses Peter Betteridge's The Bed Expert, Bolt's Hairdressers, Dalzell's Outfitters, A Dimond & Co, Little Venice and Sweets 'n' Treats. Quotes of the week...

“ WE have a clean renewable energy project that is not causing any local controversy or opposition - in fact, there is solid local support - so we should be embracing rather than refusing this application. The landscape and visual impact assessment submitted alongside the planning application shows clearly that the site and proposed solar arrays are quite literally invisible from all key vantage points'

Councillor Chris Wale, East Devon District Councillor for the Sidmouth Rural ward, on why support should be given to a planning application for a large scale solar farm on the outskirts of Sidbury.

“ AXMINSTER businesses are in competition with neighbouring towns in West Dorset and South Somerset towns, with cheaper parking. As an inland rural town, we have to work much harder to encourage people into our town'

Bess and Lewis in 222-run stand

WITH the football season almost at an end attention turns to the local cricket scene.

Unfortunately, heavy showers throughout Saturday put paid to the majority of the matches in the local area.

Up in the Devon League Premier Division **Sidmouth** opens Josh Bess and Liam Lewis both hit hundreds in a magnificent 222-run partnership against Cornwood.

Bess was dismissed for 110 and Lewis 111 as Sidmouth closed on 248-4 and then proceeded to shoot out their visitors for just 95 with Dan Babula taking 4 for 31.

IN the South-West Peninsula League (Division One east) season both Axminster Town and Sidmouth Town completed their campaigns by adding to their respective points tallies.

AXMINSTER TOWN finished with a 5-3 win over lowly Plymstock United on Bank Holiday Monday afternoon.

Ben Turner moved up to 14 goals with the team's first hat-trick of the season.

Jamie Barfoot and Gary Knight bagged the other goals for the Tigers who extended their unbeaten run to seven matches.

Meanwhile, **SIDMOUTH TOWN** were held to a 1-1 draw by Liverton on Saturday.

Parking support for town centre

IT WAS Axminster's "unique issues" which paved the way for an exclusive car park trial approved last week, according to chamber of commerce chairman Lisa Lyman.

As expected, East Devon District Council's Cabinet agreed last Wednesday to introduce a £2 maximum daily charge in all its pay and display car parks in the town after 10am on a trial basis.

The trial is exclusive to Axminster and the decision came after intense lobbying by Axminster Chamber of Commerce.

Chamber chairman Lisa Lyman said: "After attending discussions between East Devon Chambers of Commerce and EDDC, it quickly became apparent to us that Axminster has unique issues regarding parking.

"Axminster businesses are in competition with neighbouring towns in West Dorset and South Somerset towns, with cheaper parking.

"As an inland rural town, we have to work much harder to encourage people into our town.

"After discussions with visitors, businesses and residents, it was felt that £2 was easy to part with, whereas £3 took a little more thought.

"The exception to this is the Coombe Lane car park which will rise by 50p after 10am.

"In our experience this car park is usually quite full by 10am at the £1.50 rate, and with our other three car parks being reduced by £1, we do not believe it will be much of an issue.

"We are very hopeful that this trial will encourage more people into our town and for them to stay longer without the time pressure, and enjoy more of what we all work so hard to offer.

"Now it's down to statistics - if the revenue goes up, we may be able to keep the lower rate."

District councillor Iain Chubb, EDDC's Cabinet member for Environment, said: "This scheme is an example of EDDC working smarter and engaging with communities.

"We have been working with town representatives to find a mutually acceptable way of supporting town centre economies."

From the editor's chair My very first trip on a tram

I MUST have been one of the few fathers living in this part of the world who never took their kids for a ride on the Seaton Tramway.

Before I hear cries of "shame on you", let me explain. When my two daughters were of an age when a ride on a tram was considered to be a real treat I was working in London. They spent many weekends and most holidays visiting me in my Docklands flat and enjoyed numerous outings to all the big children's attractions in capital.

But I was rarely home during that crucial age between four and 12, and with both of them now flown the nest and one living in Melbourne who we rarely see, there's not a day goes by when I don't regret missing their growing up years.

So last week I made amends. I took my 25-year-old Francesca (who works for me as a reporter) on the Seaton Tramway - for the very first time. And she loved it. So did I.

Accompanied by my wife Jackie, we took advantage of an invitation to trundle down the Axe Valley for a taster trip with a group from the tourist industry.

It wasn't the warmest of evenings but it was a thoroughly enjoyable experience. Since launching 40 years ago (yes, it's that long), the Seaton

Tramway has established it as one of East Devon's most popular tourist attractions, carrying more than 80,000 passengers every year on their fleet of trams through the Axe Estuary Wetlands to Colyton.

Stopping on the way to visit the depot where all the trams are repaired and maintained, the driver kept us amused with a humorous commentary on what we should be looking out for and when we got to Colyton we were treated to an excellent buffet. Would-be tram drivers were even given the chance to take the controls for a trip up the track. "Where you taking me next Dad?" asked Francesca when we returned to Seaton.

"Crealy? Pecorama? Beer Quarry Caves? The Donkey Sanctuary?"

It's going to be a hectic summer!

♦ EAST Devon District Council has recognised the unique challenges facing inland towns like Axminster when it comes to attracting shoppers.

Following lobbying by the rejuvenated Axminster Chamber of Commerce, they have agreed to cap parking charges throughout the summer to £2 a day in their Axminster parks. A good if not somewhat rare example of a local authority putting a town's needs before its own financial gain.

Grammar School wins £1.2m grant

COLYTON Grammar School is set to go ahead with a full refurbishment of its Cottrill Hall after receiving a £1.24million government grant for the work.

The school has won an Academies Capital Maintenance Fund grant from the government's Education Funding Agency to completely refurbish its main hall.

This will allow for the leaking roof to be replaced, new toilets, heating and lighting to be improved, and floor space to be increased by 20 per cent. Additionally, old changing rooms will be demolished and replaced with a new building to form a backstage green room, toilets and storage.

The hall will also have a new foyer, a small refreshments servery for public events, a new lighting gallery and 200 roll-out seats, making it easier to watch and put on productions.

OTTERY St MARY

Residents vow to fight development

OTTERY residents have vowed to continue the fight against housing development, after the latest attempt to build new homes in the town was put before councillors.

Peninsula Properties has applied for planning permission to build six houses at the Pump House site off Chineway Road, but there are deep concerns about flooding and access to the site from the main road.

Around 20 members of the public packed the council chamber on Tuesday evening of last week (May 6th) to protest against the development, which was described by one resident as "an accident waiting to happen".

Twenty three letters of objection were sent to the town council ahead of Tuesday's planning committee meeting, and residents say they have now "had enough" of major housing developments which are spoiling the rural environment of the town.

Speaking at the meeting, Ottery resident Pete Williams said: "Everywhere we look there are houses - we do not need another six of them.

"Ottery is a rural environment. If we do not keep it as a rural environment we will not have an environment to be rural in.

"The people of Ottery have had enough of new houses. We do not need them. Let's put a stop to it."

SIDMOUTH

Solar farm plans stalled

PLANS for a large-scale solar farm to be built outside Sidbury have been stalled, after planning chiefs decided to make a further inspection of the site before reaching a final decision.

The application, submitted by energy firm Lumicity Ltd, proposes to install around 30,000 solar panels and other associated buildings on land at East Hill Strips, over a period of 25 years.

It is predicted that the development, which spans more than 18 hectares, would be sufficient to provide the annual electricity needs of 1,680 households and would save almost 4,000 tonnes of carbon dioxide otherwise generated through burning fossil fuels.

Initial plans were thrown out last year, but modifications made in the latest application are still causing controversy, with campaign group Natural England particularly concerned about the impact of such a large development being built on an Area of Outstanding Natural Beauty (AONB).

Members of East Devon District Council's development management committee met to discuss the application on Thursday of last week (May 8th), and despite being advised in a report to refuse it, councillors agreed to inspect the site again.

Councillor Chris Wale, East Devon District Councillor for the Sidmouth Rural ward, said sustainable developments such as these were vital in order to help solve the current "energy crisis".

SEATON

Top job for Jim

SEATON Coastal county councillor Jim Knight is set to become the authority's vice-chairman. Devon County Council meets on Thursday and one of the agenda items is the appointment of vice-chairman.

Councillor Knight (Conservative) is the only nominee at the time of writing and is expected to be appointed.

His involvement with local government started when he joined Seaton Town Council in 1991. In 1997 he was made Seaton mayor, a post he held for two years.

He eventually left the town council after 21 years, but also serves as an East Devon District councillor.

Heathfield housing plans thrown out

by Jack Dixon

PLANS to build 147 new homes on the edge of Honiton at Heathfield have been thrown out by district councillors.

Gleeson Developments Ltd had submitted an application to East Devon District Council to build on land east of Hayne Lane, but councillors this week refused the proposals on sustainability grounds.

The scale and layout of the proposed development were also deemed to spoil the character and appearance of the landscape, which is registered as an Area of Outstanding Natural Beauty (AONB).

The application, submitted in November last year, proposed to build a residential development of up to 147 homes on the land, with a new vehicle access point from Sidmouth Road and Honeysuckle Drive, and further pedestrian, cycle and emergency access routes also specified.

But a report published this week refused to grant permission for the work to go ahead.

The report said: "The National Planning Policy Framework indicates that major developments in designated landscape areas (including Areas of Outstanding Natural Beauty) should only be granted in exceptional circumstances where there is a public benefit.

"And the unsuitable and unsustainable location of the development is not considered to be outweighed by the need for more housing to reduce the council's lack of an up-to-date five-year land supply.

"The proposed residential development would have a detrimental impact upon the character and appearance of the East Devon AONB and would not assimilate well into its surroundings, differing significantly from the existing sporadic nature of the landscaping.

"The proposal would therefore fail to preserve the special qualities of the area."

The decision comes just weeks after the council's development management committee approved a 300-home development to the west of Hayne Lane, near to the Heathfield site.

And Mike Allen, East Devon District Councillor for the Honiton St Michael's ward, praised the work of residents for their campaign against the development.

He said: "I am delighted with the decision.

"It is all down to the good work that residents of the Heathfield estate and Gittisham have put in to explain their reasons why it should not proceed.

"One of their studies showed that cars coming down the Sidmouth Road are travelling at an average speed of 45mph, and that would have been very worrying for residents.

"They have done a fabulous job presenting all the right information and planners have agreed with them that the development is not appropriate."

Jim's flying high with world record

AVIATOR and flying instructor Jim Greenshields went up and down like a yo-yo when he, in all likelihood, set a Guinness World Record at Dunkswell on May 3rd. Jim Greenshields flew 43 aeroplanes solo from Dunkswell Aerodrome to an altitude of 2,000ft and back to set the record, which is subject to confirmation from Guinness.

He did so to raise money for Make-a-Wish Foundation UK, which arranges memorable events and outings for children and young people with life-threatening conditions.

Starting at 5:30am, it took him 13 hours to complete the attempt. He is very grateful to his sponsors and said: "I would like to thank all the aircraft owners who donated their planes for the day, and particularly the ground crew without whose help it could not have been done.

"The aircraft ranged from a vintage Tiger Moth biplane, WWII spotter planes and a WWII fighter replica to modern fast glassfibre aircraft.

"We could have flown more but

we simply ran out of aeroplanes, so maybe next year?"

Jim, from Dunkswell, didn't have to beat a set number of flights as nobody has attempted this kind of record before.

He explained: "It's the first time

anyone has done it as far as we know and as far as Guinness are concerned, so we have set the record."

Jim is still fundraising, and donations can be made online at www.justgiving.com/jim-greenshields

Cinema set for Beehive

HONITON Community Cinema is to hold screenings in the Beehive from July, with new equipment soon to be provided to support events.

The society will screen three films at the Beehive during July and August, with a view to moving in permanently later in the year.

Beehive company directors confirmed this week that the cinema's current programme will run until the new equipment is acquired, after which point more regular screenings will be introduced together with live

streaming. Hi-tech equipment, costing around £30,000, is being lined up to enable the society to stream live broadcasts, and organisers hope the move will attract more visitors to their events.

Councillor Peter Corke, chairman of the cinema committee, said: "We will be screening three films at the Beehive over the summer and we will see what happens after that, but we certainly want to make the move.

"Almost 200 people turned out for our recent screening of 'Philomena'

but the Beehive is a 300-seat theatre and we would hope to get a few more visitors than usual. We can only hope it goes well."

Launched in 2011, the society currently meets in Mackarness Hall for monthly screenings, and has recently showcased films such as 'Skyfall' and 'Midnight in Paris'.

The next event will be a screening of 'The Butler', which takes place on Friday, May 30th at Mackarness Hall at 7pm for a 7:30pm start.

Devon and New Zealand towns of Colyton linked by wedding

AN East Devon bride celebrated her dream wedding and blessing in which Colyton, UK, and Colyton, New Zealand, both played parts. Sophie Boswell (nee Webber) married Hamish Boswell in January in New Zealand, followed recently by a blessing in March in the UK.

They come from Colyton and Farway respectively but now live in Seaton, having met in 2005.

The travel-happy couple visited New Zealand in 2011, and Sophie said: "We have had several holidays over the years but we had our first holiday to New Zealand in December 2011. What an amazing place to go, absolutely breathtaking."

"We had a camper and travelled around. The place I loved the most was Russell - Kororareka is its real Maori name, in the Bay of Islands."

"We went down the Coromandel then down to Napier then back up to Russell just before we had to get the camper back."

A second trip followed in 2012 and Sophie commented: "We went straight up to Russell. We were up on Flagstaff Hill, which looks over the Bay of Islands, it has the most beautiful view across the bay. Flagstaff Hill is steeped in history and there was a battle between the English and the locals back in the late 1890s. You can still see the bullet holes in the pews and outside on the building itself."

"Hamish proposed up on Flagstaff Hill, on December 21st, 2012. The proposal was all very romantic and I was more than happy to accept. I felt incredible to be asked in such a beautiful place. Everything was perfect, it was a lovely sunny day."

The happy couple also visited a place called Colyton in the Manawatu region. According to the region's official website, the name Colyton was chosen at a meeting of residents, one of whom came from Devon and wanted to commemorate his home village.

■ **HAPPY COUPLE:** East Devon couple Sophie and Hamish Boswell after tying the knot in New Zealand

The website added: "Colyton in Manawatu once boasted a large hotel, a store, a bakery and a blacksmith shop. Like many other small settlements in New Zealand, the arrival of the motor car spelt the end of Colyton's retail centre."

Sophie explained: "That was in the 1800s. Today there is a primary school, a village hall, church and a gun shooting club."

"This year we went back to get married on Flagstaff Hill on January 10th - and the day came together perfectly. The locals love to see weddings and when we pulled up after the wedding we got lots of cheers and claps." Back in the UK they had their blessing on March 29th in St Andrew's Church, Colyton. The service was taken by the Reverend Hillary Dawson,

who read the same poem that was read in New Zealand.

A reception was then held in Musbury Village Hill, to which the couple travelled in style by horse carriage, provided by Devon Country Carriages. Sophie continued: "Not only did we have a perfect wedding in New Zealand, but we had a perfect blessing here in Colyton. A big thank you to everyone who helped make the days so special."

"I am so lucky to have the best husband that anyone could have, we are looking forward to having lots of happy years together."

Sophie works at feather maker Jaffe et Fils Ltd. in Axminster and Hamish has his own landscaping and stone masonry business.

Library plans could hit older people

PROPOSED changes to library services across Devon are "Orwellian" and cannot be understood by older people, an executive member for Honiton Senior Voice has said.

Devon County Council has outlined plans to reduce the number of libraries by around half across the county, with larger buildings, including Honiton, to be converted into 'Devon Centres'.

And at a consultation event held at Honi-

by Jack Dixon

ton Library this week, branch secretary Tony Simpson told members that the language used in the council's proposals had confused residents and glossed over the reality of "savage" cuts.

Mr Simpson said: "The way these plans are expressed is like Orwell's 'Ministry of Truth'. It very often means the opposite of

what is said and makes it difficult for people to understand, let alone resist what are actually savage cuts in library services.

"We do not blame management for the cuts – they're only doing what they're told. But even the name 'library' is being changed to 'Devon Centre' in Honiton and 14 other towns."

Under the proposals, which are up for consultation until July, library space would

be shared with other services, with running costs reduced at smaller libraries, where communities would be asked to take on more responsibility for providing services.

Alternatives to the mobile library facilities are also to be looked at, which could see more people coming into Honiton to make use of a range of services.

Mr Simpson added: "Twenty eight branch libraries are basically being cut or handed

over to volunteers and business sponsors. And using the language of 'developing outreach', mobile libraries will be cut and hundreds of users, including many older people, will no longer have this service."

A public consultation on the proposed changes lasts until July 17th and comments can be made on Devon County Council's 'Tough Choices' web site at www.devon.gov.uk/libraryreview

Pub extension plans given go ahead

PLANS to extend the beer garden at The Star Inn pub in New Street have been given the go ahead by district council planning chiefs.

JD Wetherspoon, which owns the pub, has been granted per-

mission to demolish the existing warehouse, adjacent to Fairfield House in Jerrard Close, in order to accommodate the extension of the beer garden and an outside storage area.

There were no objections to

the application from environmental health officers or the county highways authority, and members of East Devon District Council's Development Management Committee approved the plans on Tuesday.

Councillor Mike Allen, EDDC ward member for Honiton St Michael's, had previously raised concerns that the size of the development was "out of keeping" with the area and required close inspection.

And Honiton Town Council had requested that public access to the beer garden be restricted from the King Street car park.

But members approved the application after a report recommended that the plans would "add to the level of vitality" in the town centre.

Plant sale this Sunday at Combe Raleigh church

A PLANT sale will be held on Sunday (May 18th) at St Nicholas' Church in Combe Raleigh from 2:30pm to 5pm.

The wide range of plants on offer will include antirrhinums, hollyhocks, foxgloves, aquilegias, alstroemerias, grasses, tomato and strawberry plants along with a selection of pelargoniums (upright and trailing) and fuchsias.

Tea and homemade cake will also be available throughout the afternoon, with all proceeds in aid of the bell fund.

Countrywide store manager Vicky Pattinson, equine specialist Lara Brown, sales assistant Tim Hiscock and Mare and Foal Sanctuary education officer Sally Page

COUNTRYWIDE Farmers in Honiton raised £206.47 for horse welfare charity The Mare and Foal Sanctuary through a raffle during an equine weekend from April 4th-6th.

Based in Newton Abbot, the sanctuary aims to rescue, rehabilitate and rehome horses in need and all money raised at the raffle will go towards its continued hard work.

Sanctuary education officer Sally Page attended the event and praised the hospitality of

everyone at Countrywide.

She said: "We were delighted to have been nominated as the store's beneficiary for its equine weekend raffle and must extend a big thank you to everyone who helped raise so much money. We received a very warm welcome from staff and visitors alike and look forward to coming back again sometime in the future."

Countrywide equine specialist Lara Brown said: "It's important to support local charities and

we're so pleased to have given over £200 to The Mare and Foal Sanctuary.

"By having the charity's ponies and staff here at our equine weekend, lots of people had the chance to find out first-hand about the work they do, which was brilliant."

Art on show at the Mackarness Hall

ON DISPLAY | Artworks produced by 40 people with learning disabilities in East Devon went on display at Mackarness Hall recently. The exhibition was organised by the Robert Owen Communities (ROC) project, which provides specialist support for people with learning disabilities aged 16 and over. After months of workshops and classes, participants displayed a range of their artworks, including fabrics, cushions, tee shirts and paintings, built around the theme of the night-time. Funding boost for community boxes

MORE than £12,000 has been granted to Honiton Town Council to help provide new equipment for local community groups.

Following the council's successful bid, financial support will be provided from the Parishes Together Fund – a grants scheme organised by East Devon District Council and Devon County Council to reward community projects across the county.

A total of £12,500 was used to buy full sets of equipment that have been put into themed boxes, available free of charge for use by community groups and schools in Honiton and the surrounding villages – including Yacombe, Plymtree, Broadhembury, Stockland, Upton, Awliscombe and Payhembury.

The boxes available include:

- Forest skills – rucksacks, guides to wildlife, secateurs, bug jars, foam mats and compasses;
- Film-making and screening equipment – microphones, projectors, camcorders and laptops;
- Summer and Winter activity boxes, including games and fun activities for each season;
- Marquees and expedition equipment.

Mayor of Honiton, Councillor David Foster, said: "We were extremely pleased to work with seven neighbouring parishes in order to provide these wonderful grab boxes.

"The items available were chosen to be the most desired by the many organisations that work tirelessly to provide some form of service to

the local community and it is hoped that these boxes will help them in promoting the work that they do.

"As the kit is available for hire at no cost, it will be the responsibility of the organisation to look after the equipment and return all items back promptly so that other groups can also benefit from using them in the future."

A small sum of £1.10 per elector was pooled together to make money available for the scheme, and parishes could apply for funding jointly.

EDDC's contribution the fund came from the New Homes Bonus, distributed to councils for every new home built or brought back into use.

East Devon District Councillor Ray Bloxham, chairman of the New Homes Bonus Panel, which decided on applications to support, said: "This exciting and innovative project was strongly supported by the panel and is a fantastic example of what can be delivered by parishes working together."

Parishes are able to bid for funding again this year and more information can be found at www.parishestogetherfund.com.

New status for primary school

■ **HUB OF ACTIVITY** | Staff and pupils at Honiton Primary School celebrated the official recognition of the school's Foundation Unit this week, with a special 'badging' ceremony attended by the chairman of Devon County Council Bernard Hughes OBE. Councillor Hughes presented a plaque to Assistant Principal and Foundation Unit Leader Greg Bottrill on Thursday (May 8th) to mark the occasion, before taking a tour of the facility. The Foundation Unit provides teaching for pupils aged three to five, and helps to integrate children into the school from an early age. Councillor Hughes, a former teacher himself, said: "More and more schools are achieving this standard and I know how much work goes into it. Children gradually come into school and develop their learning and it is amazing to see – the whole school is a hub of activity. The unit will set Honiton Primary School in really good stead for the future."

'Honiton Together' scheme to help groups work together

HONITON Town Council has been encouraged to become an official partner in a new scheme to enable voluntary, private and public sector groups to work more closely together.

The 'Honiton Together' project, devised by East Devon District Council, proposes to facilitate communication links between groups, allowing local agencies to share information on needs and opportunities.

The project aims to have an operational plan in place by March next year.

Cafe church returns

SEATON Baptist Church's Cafe Church returns to Seaton Primary School on Sunday, May 11th from 5pm to 6pm.

There will be quizzes, music, clips and food for the body and soul in an informal, all age format.

Pastor Simon d'Albertans said: "Our aim is just to give people of all ages the chance to meet together around a table, with a real coffee in hand to explore some of the big questions in life without the formality or pressure people might fear at a normal church."

"The last Cafe Church event gathered over 50 people from many different backgrounds."

Hospice fundraiser

A CONCERT in Seaton raised about £850 for Hospiscare's East Devon day centre appeal.

In an event organised by Seaton and District Lions Club, Exmouth Town Concert Band played at the town hall on Saturday, May 3rd.

A crowd of about 150 people attended and organisers anticipate that the sum raised will be in the region of £850.

They praised those who attended and the local businesses which supported the event.

Charity cyclists stop off in Seaton

TWO charity cyclists stopped off in Seaton on the fourth day of their 12 day cycle ride from St Austell to Dover, writes **IAN BARRADALE**.

They were greeted by Seaton & District Lions Club president George Mabon, who congratulated them on their journey so far and exchanged Lions Club banners with Susan Saunders, president of Adur East Lions Club.

With the support of local cyclists and Lions Club members,

the two charity cyclists set off on a 12 day challenge from St Austell on April 22nd.

Susan Saunders, president of Adur East Lions Club, and her partner – Lion Maurice Allen – aim to raise as much as possible for the Lions International Blood Research Appeal (LIBRA) – a charity which helps to tackle blood cancers.

The couple, both from Shoreham-by-Sea in Sussex, cycled more than 420 miles in 12 days.

Book plea is big hit

■ BEER Scouts fundraising co-ordinator Ian Priestley outside Beer Scout Hall

THE project to publish an anthology of memories of local people of their time as a cub, scout, brownie or girl guide in order to raise funds for the 1st Beer Scouts has got off to a flying start.

A leaflet drop in the village ran alongside an article in *Pulman's View* last month and co-ordinator Ian Priestley said the response had been terrific.

"I have had around 12 to 15 letters back, including one of eight pages, from local people with some really interesting stuff," said Mr Priestley.

"I have also received postcards and photos and people have clearly made a lot of effort."

Mr Priestley said one ex member of 1st Beer Scouts recalled camping on Beer Head during World War II and watching the Luftwaffe fly overhead on a night-time bombing raid of Ex-

by Kevin Fahey

eter and seeing the horizon lit up by the glow from the flames.

It will be anecdotes like that which Mr Priestley will look to include in the publication; the sales of which will go towards the £6,000 required for the refurbishment of the scout hut in Clapps Lane.

In the meantime that fundraising has received an unexpected bonus.

"As well as sending us anecdotes and stories some people have been including cheques – some really sizeable – towards the refurbishment fund, which is really nice of them," said Mr Priestley.

On top of other fundraising ventures that has enabled the scouts to complete the first phase of their refurbishment

with new roof installation.

"We can already feel the difference in the hut after the work last weekend," said Fiona Gage, who is an Axe Air Explorers Leader and Scout Leader.

Mr Priestley has now asked for readers further afield from Beer – you needn't have been a member of 1st Beer Scouts – to send in their memories of being a cub, scout, brownie or girl guide.

"Our appeal has clearly struck a nerve in the local community and we are keen to hear from anyone who has a story to tell," he added.

Anyone who has a story to tell is asked to drop in their contribution to Beer Post Office or come along to talk to Mr Priestley at the Beer Heritage Coffee morning at the Mariners' Hall on Saturday, May 17th.

Sun shines for Beer gardening weekend

RIGHT on cue the sun came out for the Spring Gardening weekend at Pecorama.

Head gardener Teresa Cook was on hand from 11am to 4pm to offer a master class in producing beautiful displays in hanging baskets and troughs.

With assistance from Mike Westlake a wide selection of plants were available for sale to ensure everyone who attended the workshop in the Top Spot Marquee left with a spring in their step – and something beautiful for the garden.

Parking concession

BEER traders have won a concession from East Devon District Council over the plan to impose 24 hours parking charges in the central long stay car park.

Following talks between district councillor Geoff Pook and EDDC officials, a compromise has been offered which received overwhelming support from Beer Parish Council.

"East Devon have suggested we have a number of spaces in the central car park designated for short stay in the day and then free in the evenings," said Councillor Pook.

"That would help the traders as people coming into Beer in the day for a few hours would have somewhere to park plus in the evening free parking for visitors to the local restaurants and alike. I think it would be a good solution."

by Kevin Fahey

Councillor Pook explained that around 33 places would be made available in the central long stay car park – which has a capacity for around 225 vehicles – in addition to ten places in the Beach Court car park which has recently been taken over by the district council and in which permit holders will not be allowed to park.

Parish councillors also suggested that the short stay bays should be provided along the left hand side of the central car park leading up towards the surgery and that they should be clearly marked to avoid any confusion.

"It would certainly help solve the evening problem," said Councillor Mike Green.

Councillor Pook said there was a

balance to be struck between providing long and short stay parking and he felt the district council officials had reacted positively to complaints from Beer traders, who had feared that 24 hour parking charges would discourage visitors from coming to the village to use the restaurants and pubs in the evening.

Previously visitors to Beer in the evening could take advantage of free parking in the main village car park from 6pm until 8am, but under new charges imposed last month they face charges of 50 pence per 30 minutes or £6 for 24 hours. The new short-term charge looks set to be £3 for four hours.

"There will now be 43 free places free for parking at night time and I think that should keep the traders happy," added Councillor Pook.

campaign!

◆ IN A bid to raise £10,000 over two years for Water Survival Box, we are encouraging our readers and local organisations in East Devon, South Somerset and West Dorset – where we distribute in excess of 40,000 papers every week – to organise a fund-raising event for the charity.

The Water Survival Box is crammed with all you need to stay alive after you have lost everything – cooking and eating utensils, basic means of shelter and other essential kit – but most importantly a water-purification pump that will make clean water from dirty water and provide a family of four with clean water every day for a year.

If you would like to organise an event, telephone James Coles on 01297 446155 and we will promote it in our columns.

To make a donation, please make a cheque payable to 'Water Survival Box – View account' and send it to: James Coles, Water Survival Box campaign, View From Newspapers, Unit 3, St Michael's Business Centre, LYME REGIS, Dorset DT7 3DB.

Bridport plant giveaway helps our
Water Survival Box total grow

BRIDPORT based permaculture group 'plan b' – who have supported our Water Survival Box campaign since its inception – helped raise another £100 this month.

The group's 'Great Spring Giveaway' saw members offer free vegetable plants in Brid-

port's Bucky Doo Square, asking those taking plants to consider making a donation towards the campaign.

The group also gave the profits from the homemade marmalade they were selling to the total, with £100.98 raised on the day.

H2O | Lisa demonstrates the new Aquafilter water purification pump, the key component of the Water Survival Box

James Coles and Lisa Bright from *Pulman's View* brought along one of the Water Survival Boxes and demonstrated the new Aquafilter water purification pump.

Campaign organiser James Coles said: "It was great to be invited to another event to help promote our charity campaign, with the new Aquafilter at-

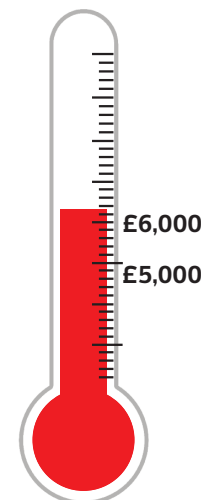

tracting a lot of attention.

"We'd like to thank plan b's Jude Hopkins for thinking of us again, and all the other volunteers who helped out on the day."

Event organiser Jude Hopkins said: "£100 from a few veggie plants and some pots of marmalade and a really fun morning can't be bad!"

Helping to cope with stress and anxiety

Anxiety and stress can often create symptoms that in time cause illness. Anxiety is known to produce noticeable physical symptoms, such as rapid heartbeat, high blood pressure, and digestive problems. In General Anxiety Disorder (GAD) and Social Anxiety Disorder (SAD) the symptoms become so severe that normal daily functioning. Clinical Hypnosis and Cognitive behavioural therapy (CBT) are common treatments for stress and anxiety disorders and can be very effective in changing thinking and responses.

In contrast with CBT and in many ways very similar to Hypnosis Mindfulness and mindfulness-based therapies (MBTs) seek to change the relationship between the anxious person and his or her thoughts.

In mindfulness, the person focuses on the bodily sensations that arise when anxious. Instead of avoiding

or withdrawing from these feelings, the focus is on remaining present and fully experiences the symptoms of anxiety. Instead of avoiding distressing thoughts, opening up to them in an effort to accept that they are not literally true, just ideas and imaginings often related to the past or future events but no less unreal in the present. By remaining present in the moment aware of the breath and the body, individuals can learn that the anxiety they experience is merely a reaction to thoughts. By positively responding to threatening events instead of being re-

active they can overcome a mistaken stress fight-or-flight response, and take control of their life.

Tales of a truant officer for Axminster Probus members

TALKING to Axminster Probus Club members at their May meeting on the subject "The Life a Truant Officer", Marian Scott said that the requirement for the job was to have common sense and a sense of humour.

She told members that there were many and varied excuses for absence, some ludicrous, some requiring sympathy and many for totally unacceptable reasons. With a catchment area in the poorest parts of Leeds, it was not surprising that feckless parents and lack of self-esteem affected the children.

Even so, it was a source of pride to Marian that some of these had their lives transformed due to her efforts – although many were beyond redemption.

The Education Act of 1880 had introduced the concept of compulsory education, but only up to the age of 10. That was subsequently altered to 12. Both parent and child could be taken to court for non-attendance and the child could be taken into care.

When Marian took up her position, the truant officer had considerable power and was able to authorise meals, clothing and transport where appropriate. In 1988 the

system changed and truant officers were assimilated into the social services.

That restricted their scope and truancy increased. Children now knew their rights and were not slow to voice them! Families on benefits could be taken to court and fined but that was useless since the fines were invariably waived.

"Auntie Marian" to the children, she nevertheless showed authority with sympathy which won her many friends in a tough neighbourhood. Towards the end of her talk she gave some anecdotal accounts, some humorous and some full of pathos, the latter reducing members to awed silence. The huge difficulty facing truant officers was clear but sometimes there were success stories and it was good to know that dedicated people like Mrs Scott were there to enable them.

The Axminster Probus Club for retired and semi-retired business and professional men meets at the Kilminster Cafe, Bistro & Motel on the A35 Gammons Hill on the first Tuesday of each month. For further information ring 01460 220528.

RNLI talk on statistics and new lifeboat arrival

THE guest speaker at Honiton Probus Club's latest meeting was Brian Cole, honorary speaker for the Royal National Lifeboat Institution who both entertained and educated members with a slideshow.

To summarise, the RNLI is the charity that saves lives at sea. Their volunteers provide a 24-hour search and rescue service in the UK and Republic of Ireland from 237 lifeboat stations.

Additionally, it has more than 1,000 lifeguards on over 200 beaches around the UK and operates a specialist flood rescue team, which can respond anywhere across the UK and Ireland when inland flooding puts lives at risk.

The RNLI relies on public donations and legacies to maintain its rescue service. Since it was founded in 1824 the lifeboat crews and lifeguards have saved at least 140,000 lives.

Volunteers make up 95 per cent of

the charity, including 4,600 volunteer lifeboat crew members and 3,000 volunteer shore crew. Additionally, tens of thousands of other dedicated volunteers raise funds and awareness, give safety advice, and help in our museums, shops and offices.

One of the RNLI's newest class of lifeboat, the Shannon, is due to arrive at Exmouth lifeboat station on Friday May 9th around 1pm. Named the "R and J Welburn", the new boat will be accompanied by several others, a sight not to be missed.

Honiton Probus Club meets at lunchtime on the last Thursday of the month at the Honiton Inn, Awliscombe for retired or semi-retired professional and businessmen in Honiton and the surrounding area.

New members are welcome. For further details contact the club secretary John Hicks on 01404 43392.

Anniversary celebrations

■ TO recognise the 25th anniversary of Coly Ridge Probus Club, founder members John Nicholls, Trevor Clapshaw and Jim Barrow were presented with life-membership of the club by current president Dave Thomas. Most members of the club for retired businessmen live in Colyford, but some are from Colyton and Seaton.

Seaton club members learn about Honiton's 11-times mayor and suffragette

TONY Simpson, former secretary of Honiton Senior Voice, who has researched Juanita Maxwell Phillips' history and been closely involved with a book entitled "Viva Juanita" about her, gave a most interesting talk to members of the Seaton & District Men's Probus Club.

He focussed on Mrs Phillips' involvement in the General Strike, which also gave an in-depth picture of how the strike affected East Devon.

Juanita Maxwell Phillips OBE, 1880-1966, was born

in Chile and lived there until her family moved to London. She became a suffragette and campaigned for Mrs Pankhurst, moving to Devon on her marriage where she became the trail-blazing Mayor of Honiton 11 times.

Her interests were wide and her achievements remarkable – she built her own theatre in Honiton and supported a variety of charities, including those for disabled children and cancer sufferers. She played an active part in the work of the War Office during

First World War, dealing particularly with the families of the fallen soldiers.

For the General Strike of 1926, Mrs Phillips held a powerful position at the Organisation for Maintenance of Supplies, ensuring that food supplies and transport were maintained in East Devon. This experience was utilised in the Second World War when she was responsible for issuing identity cards, ration books, organising evacuation and co-ordinating the work of organisations such as the WRVS and the WI

in East Devon.

This was the last formal meeting of Seaton & District Probus Club before the summer break – from May to September there will be regular coffee get-togethers, informal dining out in Seaton and organised trips.

The club for retired or semi-retired professional men welcomes new members and Keith West on 01297 624374 will be pleased to provide further information.

Quacking good fun!

■ **CHILDREN** from Kilminster Pre-School cheered on their entries in their annual duck race on Wednesday, May 7th. A starting field of 400 plastic ducks were released into the stream at Jubilee Green, with ducks numbered 26, 22 and 40 claiming gold, silver and bronze respectively. Pre-school chairman Emma Styles said: "This raises £400 for our pre-school and is an important fundraising event for us." Primary school children and members of the local toddler and tinies group also attended the popular event. Pictured above, pre-school children before their ducks set off and, right, Kilminster resident Luke Reed helps a few stragglers across the finishing line.

Concerts in the West at Shute

St. Michael's Church in Shute is pleased to be hosting Concerts in the West for the second time on Thursday, May 15th.

This year the group The Artisans present "A Medieval Experience", when they dust off Medieval (and Renaissance) music, bringing it to vibrant life and connecting directly with audiences through their sheer inventiveness and infectious enjoyment of the music.

The Artisans, with their range of

interesting – often little known – instruments, such as an oud, shawm, vielle, recorders, and medieval harp, will play music from four countries and three centuries, with exotic dance tunes to rousing chorus songs.

Their playing enchants all those who hear them, according to BBC Radio 3.

The concert at Shute will start at 7.30pm. For further details visit www.concertsinthewest.org

MUSBURY Moles Pre-School has been awarded Sun Safe Nursery Status for the second year running. The pre-school has implemented the Sun Safe policy and ensures all parents and its members of staff are aware they are role models and encourage the importance of protection from the sun, including wearing hats, using sun cream, drinking plenty of water and playing in shaded areas. News briefs

A COFFEE morning at the Fairwater Head Hotel in Hawkchurch raised more than £100 for St John The Baptist Church.

The coffee morning was held to introduce new chef Christian Von Merowing and to officially open the newly revamped public rooms at the hotel. More than 50 guests came along, each one making a donation to the village church.

The special guest on the day was well-known local resident, Rita Austin, who owned the hotel for over 20 years before the current owners, Adam and Carrie Southwell, took over.

HAWKCHURCH Fete Committee's next fundraising event will be a car treasure hunt and cream tea on Sunday, May 18th.

Cars leave from the village hall car park at 2.30pm. Entry is £4 per person to include a cream tea on return to the village hall, served from 3pm.

The committee is busy putting together the programme for this year's fete, which will take place on Bank Holiday Monday, August 25th at 2pm.

Entertainment this year will be provided by the Honiton Gymnastic Club, Smale gundog display, Professor Fumble will entertain the children and music will be provided by Nyther Nore.

Stalls are available to hire. A form can be obtained from Christine Bright by calling 01297 678498.

THE outer pane of a double glazed unit was broken when someone tried to break into a house in Hawkchurch.

Police could not report exactly where in the village the house was, but the attempted break-in between 12.30am and 10am on Monday, May 5th was failed.

Anyone with information should call 101 and quote crime number KA/14/221.

WISE Owls Pre-School in All Saints is hoping for a good turnout for its cream tea on Saturday May 24th.

The event will be held in the village hall from 10.30am to 12.30pm. Attractions and activities will include a raffle, face painting, a guess the name of the lamb quiz, a paper aeroplane contest and much more.

IF THE term museum is taken to mean a non-profit making permanent institution, in the service of society and its development and open to the public then the phenomenon of Seaton Museum now 26 years old is successful on all counts. In little more than twenty years a virtual torrent of material has been gathered by a small voluntary group of local enthusiasts and at the present moment we are engaged on the problems of storage and display.

Seaton museum has two main purposes, one the preservation use and study of its collections and the other in making these collections available for use by the scholar or visitor. It is the specimens or artefacts within the museum which make

it a unique institution and the records and artefacts that we care for in Seaton Museum which range from documents, family trees, fossils, photographs to Roman and Prehistoric material are important to the area. We do try to record and interpret the way of life and the social history of this area. History never ceases to be made; we are never at the end of time but always in the middle of it.

The volunteers play an ever increasing important part in museum work and we are always looking for new members to support us. Please if you live in the area do pay your museum a visit this year. We need your support.

2014 SEASON *in Seaton*

THE museum can be found on the top floor of the Town Hall in Fore Street and is open Monday to Friday from 10.30a.m. to 12.30p.m. and 2.15p.m. to 5p.m., late May to October inclusive. Admission is free but donations are gratefully accepted. The museum concentrates on the lower Axe Valley and also includes the adjacent villages of Beer, Axmouth, Branscombe, Colyton and Colyford.

Seaton museum is well known for its excellent collection of old photographs of the area. These come mainly from the E.S. Gosling collection. There are many other displays including; The Roman site at Honeyditches, The Natural History of the area and a display of Victorian costumes. All are well worth a visit. The museum is manned by a volunteer staff who are members of the 'Friends of Axe Valley Museum'. They will always endeavour to help any visitors with their queries. Specialist help can be given regarding the history of local families. The museum is controlled by a company limited by guarantee, the 'Axe Valley Heritage Association' under the chairmanship of Mr Geoff Marshall. The everyday running of the museum is in the capable hands of the Curator and Secretary of the association, Mr Ted Gosling.

Time Colyton Feoffees are dragged over 'dreaded threshold of equality'

■ A MEMBER of the public was stopped from asking an important question concerning the Feoffees of Colyton at Colyton Parish Council's annual meeting, as reported last week (May 6th) on the front page of Pulman's View From Colyton.

He wanted to know why there are no women Feoffees among the 16 nominated members, and never have been.

There are among Colyton's women many intelligent and active people who would be very willing to give life back to this moribund group, given the chance. There can be no reason to exclude people on the grounds of gender.

I have heard the following reasons recently for excluding women from the Feoffees:

- 1) "It is tradition to have only men as Feoffees"
- 2) "If we had women, Feoffees meetings would take twice as long"
- 3) "There is no bar. We just have not found any suitable women"

This style of argument prevented women from voting, being doctors, being MPs, joining the clergy or being bishops. They are specious, constructed arguments which have to place in a healthy society.

It is time for Colyton Parish Council and the charity known as the Feoffees of Colyton to drag themselves over the dreaded threshold of equality.

BEN JOSLIN,
Colyton

Better jobs and housing a priority

■ AS a councillor of East Devon, I want our district council to make creating higher paid jobs and solving the housing shortage their top priority in 2014-15.

Many people are finding it really hard to save enough money to get on the housing ladder, or are struggling with increasing rents while salaries are not keeping pace with house price inflation.

I hope that all councillors will acknowledge this reality and commit to tackling this problem. They need to think about how we can get the right homes, in the

right place, at the right price for everybody in East Devon and Exeter.

I believe we can solve our jobs and housing shortages and yet retain our quality life and environment and that's why I'm saying yes to jobs and homes in East Devon and Exeter. All we need now are the politicians who can make this a reality.

Ottery council has acted recklessly by disregarding Standing Orders

■ AS a former Ottery St Mary town councillor, I was very disappointed at how the annual parish meeting turned from a good-humoured meeting into a fiasco.

Like ex-Councillor Lewis, I am shocked by events since December but the council's economy of truth cannot disguise the fact that the actions of a small group of councillors in December, in pursuing an illegitimate course of action, have brought the council into disrepute and engendered distrust among residents – and councillors.

I have worked with the council and generally found them a conscientious and well-led group. I agree with the majority of people in Ottery that the council has achieved much for the parish over the years, but this does not mean that we should ignore this serious failing which has sadly damaged its good reputation.

The mayor quoted "that neither side was blameless" but I gather that anyone who has read the monitoring officer's full report (no, I was not informed by Councillor Giles) would likely attribute blame as 95 per cent town council and five per cent Councillor Giles.

The main criticism of Councillor Giles would appear that he did not protest strongly enough about the illegitimacy of the additional meeting where the "confidential" meeting with Persimmon was discussed.

Apparently the monitoring officer says she could not consider the actual existence of the Persimmon meeting to be confidential anyway, so does she consider that no offence was committed by Councillor Giles?

The town council, however, acted recklessly by disregarding its own Standing Orders, in an attempt to publicly humiliate Councillor Giles. This appeared to the public as a "kangaroo court" with the leaders of the action having already decided what the punishment should be.

Fortunately, enough councillors drew the line at imposing the proposed sanctions against Councillor Giles. As this was considered a serious breach, had advice been sought from EDDC? I'm told the monitoring officer's report advised that councils could meet developers in private (discretion), not that they should (compulsion) – so it is up to councils to be seen to act transparently.

The council would be well-advised to accept the obvious and discontinue any ongoing vindictiveness against Councillor Giles so everyone can resume doing their best for Ottery.

MALCOLM MACDONALD,
Ottery St Mary

Young people of Axminster deserve high quality facilities

■ MALCOLM Reynolds' letter in last week's *Pulman's View From* about Axminster skatepark deserves a response.

Once it became clear that Cloakham Lawns did not have the funds or, to be fair, the will to maintain the current skatepark, I was involved in instituting a working party to set up a different structure to run and improve it. Following Tom Chubb's untimely death, a number of his young friends came on board with a view to "Fixing Axminster Skatepark" both in his memory and for current and future generations of young people in the area.

It soon became clear that a new facility was required, rather than just to repair the current one. Following extensive research and visiting other parks, it was agreed that an all concrete structure was the best solution.

As part of the due diligence process we looked at all potential sites in Axminster, and it was the view of all concerned, including youth workers and the police, that Cloakham offered the best location.

We are now in the process of setting up a Charitable

Incorporated Organisation, which will have its own membership, its own trustees (of whom Ian Hall will be one) and a management committee. This will lease the site from Cloakham Lawn, and will seek funding, build and run the skatepark. It will have its own organisation, safeguarding policy and maintenance structure. This has the support of Cloakham Lawns management committee.

I have every confidence that the new skatepark will be run properly, and hope to be involved in its ongoing life. I know the young people involved, and the wider community of skateboarders are in favour of this plan.

Evidence from all the sites we have visited shows that if a facility is up to date and fit for the 21st century, those using it respect and "self police" it. The young people of Axminster and those not yet born, deserve the high quality facilities, as good if not better than their counterparts in Seaton, Honiton and Lyme Regis and we will do all in our power to deliver this.

COUNCILLOR JEREMY WALDEN,
Mayor of Axminster

New arrangements for charity collection

■ FOLLOWING successful changes in Axminster and elsewhere, we are not collecting house-to-house for Christian Aid this year.

We are instead delivering to every street in Seaton (we were not able to get round to everyone before) and asking people to bring their envelopes to one of three central collection points in the town – at the

Tesco store, at the town hall, or at the Post Office, between Thursday, May 15th and Saturday 17th.

An envelope should come through every door by Wednesday.

New flights to London will provide 'lifeline' for East Devon business

NEW flights linking Exeter to London City Airport will provide a "lifeline" for businesses in East Devon, a senior councillor has said.

Airline Flybe announced recently that it would start offering flights from Exeter to the capital in the autumn and East Devon District Council has welcomed the news.

Responding to the announcement, Councillor Ian Thomas, Cabinet Member for Economy, said: "This is fantastic news for the company, for the local economy and for the new commercial zone developing on the fringes of the airport."

"These new flights will open up an important lifeline for businesses in Exeter and East Devon, bringing the possibility of easy shuttles between

the two cities and the promise of more companies considering relocation to this area, which is fast becoming a magnet for knowledge-based industries and other commercial operations.

"As Exeter Science Park and SkyPark start to take off, news that business people will be able to commute easily three times a day between our area and the capital means that the sky's the limit for expanding the economy of East Devon."

"This is another positive step in support of the concept of providing jobs and homes close to each other at the western end of the district and near to the city of Exeter, which is at the heart of the sub-regional economy."

IT could be said that after Easter, church news was centred on Rome. In short, Rome became a place of four Popes and two new saints and a capacity attendance of over 800,000 is reported.

Pope John XXIII, 1958-63, and Pope John Paul II, 1958-1963, were declared saints by Pope Francis in the presence of his predecessor, Benedict XVI, who was the first Pope to retire in 600 years.

The key moment was when Francis recited the Latin formula creating the new saints. The occasion was considered to be unique - four popes together - two living and two saints. By canonising the two Popes together, Francis performed a balancing act that pleased the church's conservative and liberal wings. Word has come of Roman Catholic bishops asking for permission to ordain male priests from other churches who are now Roman Catholic.

Back in Britain it might almost appear that the General Election of next year has already been called. Our Prime Minister has been blamed for "playing politics" to obtain support, in making partisan points. Another party has been making comments about disestablishment of the Church of England. Then Lord Williams of Oystermouth, former Archbishop of Canterbury, feels that Britain is no longer a nation of believers and predicted a further decline in the Church of England.

According to an ICM poll of 2,000 people for a national newspaper, more than 56 per cent of people in Britain regard it still as a Christian country, rising to two thirds with those who reserved their public opinion.

Recently, the religious debate has become more shrill and divisive, which feels somewhat less British. Religion plays a part in all our lives and there are religious leaders there to play a part in times of crisis. All religions should note the lines of Matthew in the New Testament, "by their fruits you will know them" - and similar advice is given in the Koran & Torah.

A final thought, that Britain accommodates people of all faiths or none, and encourages those of all faiths or none. We are also reminded that after 1,500 years of Christian values, such will not disappear overnight.

As previously reported, Exeter Diocesan Synod meets at County Hall, Exeter, on Saturday, May 17th at 10am. There

Pulman's View from the churches

With NIGEL SPELLER

are some ten items on the agenda, during which most importantly members will be invited to express their views on proposals for the creation of women bishops. Other items include a new Diocesan Safeguarding Policy and updates on the Million for Mission Fund with details for members.

Noting the planned items for Exeter Diocesan Synod's coming agenda, it is of interest that a number of Roman Catholic bishops in the North of England are reported as urging that married clergy who have joined the Roman Catholic church should be priests in their new denomination.

After the Easter celebrations Ottery Parish Church resumes the usual pattern of services. Messy Church is on Monday at 4pm and at 6.30 on Sunday. The WATOTO children's choir from Uganda is at 7pm on Saturday, May 17th and on May 18th the annual Cadhay mixed plant sale, tea and cakes for the bell fund is held.

Sunday, May 18th at Combe Raleigh, 2.30pm to 5pm, a sees a plant sale, with tea and cakes

Axminster Chamber Choir, under the direction of Judy Martin, is giving a concert entitled "In Praise of Music" on Friday, May 16th at 7.30pm in St Giles' Church, Kilmington. Tickets are £10 and £6 at the door and proceeds go to Riding for the Disabled.

Axmouth Church has a tea and cake afternoon on Sunday, May 18th, 2pm to 5pm in church.

Axminster United Reform Church is holding a spring sale in Chard Street on Thursday, May 22nd from 9.30am. Usual stalls, competitions and refreshments.

Are you making progress with your Poppy Seeds? For Remembrance, see Diocesan News March 2014.

Another reminder, the Church of England Devon moves to a new magazine from July 1st with changes in format and distribution. Copies may be obtained by emailing communications@exeter.anglican.org

Dreamy displays at flower club

THE May meeting of Colyford & District Flower Club was held at Colyford Memorial Hall on Tuesday 5th, when members enjoyed an inspiring demonstration by Barbara Clatworthy from Coombe Martin.

Her title was "In My Dreams" and the first arrangement used large avalanche roses and tree fern placed inside aspidistra leaves, which were folded and placed into the pot by the leaves instead of the stalks.

The second display represented a trip up the Rhine, with a boat shape made from twigs and palm leaves, silver sprayed agapanthus, ruscus and silver wax roses. Barbara then added red carnations, purple Veronica and shamrock chrysanthemums. She added music to all her arrangements and this was accompanied by Alfie Boe singing "All The Time in the World".

The next arrangement was all green in a tall vase filled with sissal, using phormium leaf, rosemary, shamrock chrysanthemums, ivy, holly and euphorbia. It was then linked with midollino sticks to an identical though smaller one. The music for this display was "Somewhere" by Il Divo.

Barbara's fourth arrangement took members to Mallorca and the 365 steps I Porto Polenta. She used a tall

wooden structure representing the steps with tiny lights inside and on top created a crescent design using hosta leaves, variegated holly, fir cones, yellow tulips and freesias. This was accompanied by Lulu and Russell Watson singing "The Prayer".

The final display represented the mountains of Switzerland. Barbara used a garden obelisk with birch twig rings around and added a mountain on the side made of white avalanche roses, huge arum lilies and smaller white roses against a greenery mixture, which was quite effective. The music for this display was Russell Watson's "Pannis Angelicus".

A vote of thanks was given on behalf of everyone by Margaret Lee.

Entries in this month's competition were down a bit but completed to a high standard. The novice section was won by Christine Perry, advanced by Lindy Rishards and expert by Sheila Clare.

Members were pleased to welcome five visitors to their meeting and hope more will attend their open meeting in Colyton Town Hall on June 3rd from 7.30pm. Entry for this event will cost £7.50 for members and £10 for visitors.

Upcoming events for garden society

MEMBERS and guests of Colyton & District Garden Society recently enjoyed a very descriptive talk by Peter Savage from Bowden Hostas, near Okehampton.

Hostas originated in China and the Far East and range from miniature types to some very large varieties, which can reach nearly 6 feet tall and come in a wide variety of colours and leaf shapes.

At the next meeting, on Wednesday, May 21st at Colyton Peace Memorial Hall, Clive Russell from The Iris Garden will be giving the talk.

His nursery specialises in all kinds of irises and they have been growing them in Pilsdon in the

Marshwood Vale for over 20 years.

All are reminded that the society's annual plant sale will be held at Colyton Town Hall on Saturday, May 24th from 9.30am. There is always a good selection of plants, from herbaceous perennials to shrubs, from annuals to vegetables and herbs.

Garden books and tools are also included as is produce and cakes.

If you have anything to donate, please bring it to the hall the evening before from 6.30pm. Entry to the sale is 50 pence, to include a cup of tea or coffee.

and Axminster Chamber of Commerce

The Old Chapel Antiques & Lifestyle Centre

THE Old Chapel was a former Wesleyan Methodist Church between 1795-1894, having been built in 1795 on land given by John Morgan the Parish Clerk. This Antique Centre was established in 2008, currently in its 6th year of trading in Axminster.

A family-run business, The Old Chapel has a homely feel.

Units are available for rent, starting at £10 per week. There is lots to explore within the three floors, and The Old Chapel is often referred to as an Aladdin's Cave, as it caters for everyone's need, if only to browse.

There is a seating area inside where customers can sit and discuss the antiques, bygones, collectables, furniture, retro bikes, Dinky toys, vintage clothes, and a great deal more.

If you wish to visit The Old Chapel to browse or buy, then please cut out the adjacent voucher, valid until September 1st 2014, which entitles you to a 10% discount on all items over £10 for sale within the Centre.

Katie's Kidnap

Drama Club to hold Murder Mystery at Hunter's Lodge Inn

AXMINSTER Drama Club will hold a murder mystery dinner called 'Katie's Kidnap' at The Hunters Lodge Inn in aid of charity.

The ticketed event will be held on Saturday May 31st, to include a two-course meal with an evening's entertainment in the form of a murder mystery enactment performed by Axminster Drama Club.

Club chairman Mike Dowling said: "Guests will be incorporated into the events of the night and will be invited to solve the mystery that ensues."

"This is the first time in many

years, the ADC has produced, presented and performed a murder mystery evening and it will be an intimate gathering of just 40 players and guests in total.

"All monies raised will go to help support the work of the ADC, a registered local charity, whose remit is to provide training, opportunity and encouragement to local people of all ages from young children right the way through to retirees and to present art and entertainment through our productions to the people of Axminster and the surrounding areas."

Tickets are £25 each and are

available from Archway Bookshop in Axminster on 01297 33744.

Mike added: "Don't delay, all tickets are numbered for specific seats on our seating plan so, to ensure you and your guests obtain the seats that you want, you need to purchase them as soon as possible."

"We can promise you good food, an intriguing night's sleuthing and a surprising sting in its tail."

"Are you a budding detective with a good appetite? If so, this is for you."

A vibrant medieval musical experience from The Artisans for Concerts in the West

THE Artisans are a lively band of four young musicians who bring Medieval and Renaissance music bang up to date. The group comprises Emily Askew on vielle, recorders, bagpipes, percussion and shawm; Hazel Askew, voice and medieval harp; Sarah Stuart, percussion and vielle; and Victoria Couper, voice. Each band member brings experience from a diversity of musical genres, including folk, world and early music and it is this background that allows them to create fresh and exciting interpretations of ancient music, while remaining true to its historical origins.

Having played at numerous festivals, concert series, music clubs and societies in venues across England, including Brighton Pavilion and Christchurch Spitfields, the Artisans will be performing a series of concerts during May at local West Country venues including St Michael's Church, Shute, near Axminster, this Thursday, May 15th at 7.30pm

The band are impressive to watch, particularly as they perform most of their repertoire from memory. This encompasses a wide selection of well researched music from England, France, Spain and Italy on a range of fascinating ancient instruments including recorders, bagpipes, vielle, medieval harp, shawm, and percussion. A

review by Clare Norburn of the Brighton Early Music Festival sums up their style and ability perfectly: "The Artisans dust off medieval music, bringing it to vibrant life and connecting directly with audiences through their sheer inventiveness and infectious enjoyment of the music."

Tickets are £14, available from the box office by calling 01297 33744, or from Hurford's Stores, Kilmington, or the Archway Bookshop, Axminster. Parking nearby, interval drinks, disabled access.

Comic Copper

AFTER eighteen years at the Humberside Police Force, Alfie Moore hung up his helmet and became a full time comic, storming the Edinburgh festival with hit shows in 2012 and 2013.

Having since supported comedy heavyweights Sarah Milligan, Milton Jones and Russell Kane on tour, and having toured his own successful show in 2012, Alfie embarks upon a new UK tour from May.

Sergeant turned stand-up, Alfie Moore has seen it all. This truly front-line member of the police force will not only alter your perspective on the 'boys in blue', but is guaranteed to have you chuckling from the rafters.

Alfie Moore brings his stand-up show to Exeter Phoenix on Thursday, May 22nd at 8pm. Tickets are £12 available online at www.exeterphoenix.org.uk, or by calling 01392 667080.

"A Blast from the Past" with The Blast 60s Live Band Show at the Tramway

FOR a "blast from the past" of '60s music, Seaton Tramway, the fascinating heritage tramway and tourist attraction in the Heart of Lyme Bay, has arranged a great, "Magical Mystery Tour" with The Blast re-visiting the sound of the 1960s such as: - The Beatles, The Monkees, The Dave Clark Five and many more with a live performance at Colyton Station on Saturday, May 31st.

The tram departs from Seaton at 7.00pm, which will give you a chance to get into the groove as you take a wonderful evening ride along the Axe Estuary. When you arrive at Colyton dressed in your mini-skirts and flower power shirts for a 1960s inspired fancy dress competition, you can enjoy a delicious barbecue-style meal in the Tramstop Café and Garden Room. Then you will be already to immerse yourself in to all those sensational 1960s hits when "The Blast" live show begins at 8.15pm and goes on until 10.15pm, with a break from 9.00 –

9.30pm.

After all the fun and excitement, the tram departs from Colyton at 10.30pm bound for Seaton.

The all inclusive tram ride, entertainment and meal prices are: Adults £24.00, Children (3-15) £17 and Children (under 3) £5. If you are making your own way to Colyton to enjoy the food and entertainment, the prices are: Adults £18, Children (3-15) £12 and Children (under 3) £5.

This is sure to be a really popular evening event, so to ensure that you can join in and be a "groovy baby", please book in advance by telephone: 01297 20375 to avoid disappointment.

Tram tickets can be purchased at the Seaton Terminus and Colyton Station ticket offices (or on line at: www.tram.co.uk)

Wings in the Way

STARRING The King's School pupils Blaise Oldham and Felix Lamb and other young people from Devon, Wings in the Way is a fast-moving, funny, thought-provoking and emotional performance which challenges audiences to think about our place within the local and global community, whilst exploring themes of courage and freedom.

Director of Anthos Arts, Emma Rose Payne, is highly excited about the production: "I've had the pleasure of working on many projects, and Wings in the Way is one of the strongest pieces of youth theatre I've ever seen."

"It is great to be involved with young people in art that blossoms from within the community and speaks to the community."

Wings in the Way can be experienced at The Beehive, Honiton (May 17th 2pm) and the Manor Pavilion, Sidmouth (May 18th, 6.30pm).

Testudo Musical Players go on a Summer Holiday

FOLLOWING their smash hit show, *Our House*, last September, Testudo Musical Players are preparing to go on a *Summer Holiday* this year! Featuring those well loved Cliff Richard songs 'Bachelor Boy', 'The Young One's', 'Do you wanna Dance', 'In the Country' and of course, 'Summer Holiday', to name just a few of these foot tapping numbers!

Set in the 60s it tells of the adventures of a group of young people as they travel through Europe in a big red bus.

Once again, under the direction of Debbie Bradley, this promises to be another fabulously energetic theatre experience for the whole family.

If you'd like to be involved in any way, either on stage or as part of the production team the society welcome new members. First rehearsal is next Tuesday, May 20th, at 7.30pm at Seaton Town Hall, you can just turn up or telephone Debbie on 01297 20554.

Intuitive Healing is the diagnosing and mending of our physical, emotional and sexual wellbeing from within.
An intuitive Healer will carry out this work by directing energy to the required place of discomfort allowing the
patient's own self healing powers to do the actual healing. Information about the root cause of the discomfort
can also be channelled giving the patient an insight as to how best to self treat their individual problems.

DRY CARPET CLEANERS**

"FORGET WET"

NO MESS! NO FUSS! NO WATER!

Dryasabone carpet cleaners are a 21st century forward thinking family owned local established company that relies on excellent customer service and satisfaction for repeat business and recommendations. We guarantee to provide a sales gimmick free and reliable service with confirmed appointment times at a time convenient for you the customer not us.

Our expertise lies in dry/low moisture carpet cleaning, which means no-one is going to come along and soak your carpets with dirty water and steam up your windows for the rest of the day.

We specialise in the HOST* Dry extraction method which ensures your carpets are clean, dry and looking their best. and back in use immediately. "FORGET WET"

This method of cleaning has been developed over more than 50 years, and is used in over 60 countries and by some of the worlds largest organisations.

The price we quote is the full and final price you pay. No other gimmicks will be offered----our reputation is our main selling point and will not be compromised.

The Advantages.

- Uses safe natural bio-degradable non-toxic products
- Safe for children and pets
- No damp dog smells
- Is fully endorsed by major carpet retailers
- No steamy windows
- No sitting in your kitchen for hours waiting for carpets to dry
- No down time for hotels and guest houses
- Your rooms are back in use immediately
- A true earth friendly process

Toyota Hybrids: It's a Love Thing

TOYOTA hybrids have come a long way since 2000 when the technology debuted in the UK in a single model, a quirky little four-door saloon. Today hybrids are part of the mainstream and no manufacturer offers more choice than Toyota, with six different models in its line-up.

Toyota has launched a new media campaign that demonstrates how hybrid power is not just about fuel and emissions efficiency, but also a smoother and more enjoyable driving experience. Under the banner Fall in Love with Driving Again, it emphasises the relaxing quality of a hybrid powertrain.

It isn't just an advertising pitch: to prove its point, Toyota put its theory to the test, filming 30 drivers over 120 hours as they negotiated some of Europe's busiest roads, first in a non-hybrid, then in a Toyota hybrid vehicle.

The experiment, monitored by Professor Jonathan Freeman, Managing Director of i2 media research in the Department of Psychology at Goldsmiths University London, produced an overwhelmingly positive response, with 80 per cent of those taking part reporting that they felt less stressed, frustrated and angry when at the wheel of a Toyota hybrid.

Their experiences are revealed in a series of short films that are being released on YouTube as part of the campaign; the first, featuring drivers in Rome, can be seen here.

At the same time as Toyota hybrid power has become more efficient and refined, it has been applied to an ever wider range of vehicles, ranging from superminis to fully flexible seven-seat MPVs, answering the motoring needs of more and more motorists.

Today's Toyota hybrid line-up begins with Yaris Hybrid, the world's first hybrid supermini.

Thanks to clever packaging, there's just as much room inside for passengers and their luggage as in a petrol or diesel Yaris. Featuring a 1.5-litre petrol engine engineered for efficient performance, it comes with official fuel and CO2 emissions figures from 80.7mpg and 79g/km; all models in the range achieve sub-100g/km performance, earning a zero annual road tax (VED) bill.

Auris Hybrid, built exclusively at Toyota's Burnaston factory near Derby, is Britain's best-selling hybrid. The five-seat compact hatch, now in its second generation, uses a more powerful version of Toyota's Hybrid Synergy Drive, featuring a 1.8-litre petrol engine. Again, all versions are rated at less than 100g/km. In 2013 the hatchback

was joined by a sister wagon, Auris Touring Sports, which is also built at Burnaston.

Prius is still a mainstay of Toyota's global hybrid programme and has become one of the world's best-selling cars. The third-generation model demonstrates how far the technology has come, with benchmark performance figures starting at 72.4mpg and 89g/km.

Prius is no longer a single model, but a family of different vehicles: Prius+ is a seven-seat compact MPV and Prius Plug-in a rechargeable hatchback that can be driven further in zero-emissions, all-electric EV mode. Both make use of advanced lithium-ion battery technology, achieving a higher power density in a more compact battery pack.

World First – Laser Lights as Standard for New Audi R8 LMX

▲ The even more illuminating Audi R8

A NEW limited edition LMX version of the Audi R8 will not only be the most powerful roadgoing iteration of the super sports car ever made, but will also be notable as the first production car to adopt laser high beam lighting as standard. The new 570PS, 198mph R8 LMX will make its UK public debut at the Goodwood Festival of Speed and will become available to order at the same time priced from £160,025 OTR. UK deliveries will begin in the autumn.

The Audi R8 LMX is based on the acclaimed V10 plus model with its high-revving, mid mounted ten-cylinder engine, double wishbone suspension and ASF (Audi Space Frame) aluminium body. It will be available exclusively as a coupe with a production run limited to 99 vehicles, and with 540 Nm of torque to complement its 570PS output will be capable of rocketing to

62mph from rest in just 3.4 seconds before topping out at 198mph.

A compact, seven-speed S tronic transmission transfers the power to the quattro permanent all-wheel drive system, which distributes it judiciously to racing-inspired 19-inch, 20-spoke wheels shod with tyres with 215mm front and 305mm rear widths. These conceal carbon-fibre ceramic brake discs with red anodised calipers measuring 380 mm in diameter at the front.

The light emitted by laser beams before they pass through a phosphor converter is blue, and this has inspired an Audi exclusive Ara Blue, crystal effect customised paint finish for the new R8 LMX. If preferred, it can also be ordered with Daytona Grey matt effect or Mythos Black, metallic paint finishes.

The new flagship model is also marked out by a

large, fixed rear spoiler for increased downforce on the rear axle, and by additional use of carbon fibre-reinforced polymer (CFRP) for the front spoiler lip, side flics, engine compartment cover, exterior mirror housings, sideblades, rear wing and diffuser. The Singleframe grille and front air intakes and the outlet grille at the rear are finished in titanium grey, while the sports exhaust system features high-gloss black tailpipes.

Blue accents continue the theme in the interior with its bucket seats upholstered in Fine Nappa leather and finished with Sepang Blue diamond stitching and backrest covers in Ara Blue. Sepang Blue diamond stitching also adds contrast in the Alcantara headlining and black Fine Nappa leather door trim panels, and the colour is also sewn into the edges of the parking brake lever, centre tunnel console, steering wheel and instrument cowl.

The list of subtle details marking out this exclusive model also includes matt carbon covers for the centre tunnel console and parking brake lever, the inlays in the doors and the arc around the cockpit, and illuminated aluminium inlays bearing the limited-edition number integrated into the CFRP door sill trims. Fine Nappa leather adorns the selector lever for the S tronic and the knee pads, and the floor mats have black piping and Sepang Blue stitching.

Revolutionary laser high beam lighting

In 2008, the Audi R8 became the first production car in the world to feature all-LED headlights; this was followed in 2012 by dynamic indicators with a unique sweeping action. Audi launched a new chapter in automotive lighting with the Matrix LED headlights, which debuted in the updated A8 in 2013. Now the brand with the four rings is progressing to the next stage in the R8 LMX: the laser spot for the high beams. It increases the illumination range substantially, which is ideal for a super-

car like the R8 LMX.

Audi engineers work very closely with their racing colleagues on the development of lighting technologies. The combination of LED and laser high beams, for example, will be used for the first time on the new Audi R18 e-tron quattro at the 24 Hours of Le Mans on June 14 and 15. The premium brand is thus continuing its tradition of using racing to test new technologies destined for production.

"Audi has long dominated the most important 24-hour race. In addition to the outstanding TDI drive technology, a maximum light yield gives our pilots a major advantage, and with night racing in particular is a key factor to our success," says Prof. Dr. Ulrich Hackenberg. "The transfer of the laser headlight to the Audi R8 LMX underscores our leading position in lighting technology. The safety benefit this provides to the customer truly repre-

sents Vorsprung durch Technik," says AUDI AG's Board Member for Development.

With the new laser high beams, one laser module per headlight generates a cone of light with twice the range of the all-LED headlight. Each module comprises four high-power laser diodes. With a diameter of just 300 micrometers, these generate a blue laser beam with a wavelength of 450 nanometers. A phosphor converter transforms this into roadworthy white light with a colour temperature of 5,500 Kelvin – ideal conditions for the human eye that enable the driver to recognise contrast more easily and help prevent fatigue. The laser spot, which is active at speeds of 37mph and above, supplements the LED high beam in the R8 LMX and greatly enhances visibility and safety. An intelligent camera-based sensor system detects other road users and actively adjusts the light pattern to avoid dazzle.

Pothole Compensation Claims rise by up to 750% as Potholes.co.uk unveils New Warning Sign

COUNCILS in the areas worst hit by the winter storms are now facing a different kind of flood – a rising swell of automotive compensation claims – according to campaign website, Potholes.co.uk.

While homeowners seek compensation for damage to their houses, road users are also demanding remuneration for car axle, wheel and suspension faults caused by pothole-ridden stretches of saturated roads.

In one county – deluged Somerset – claims spiked at 204 in January / February from just 24 in November / December, a massive 750% increase in cases.

The same worrying trend has been spotted in some of the other regions worst hit by flooding at the start of this year. Surrey County Council reported a 353% increase and admitted that an "unprecedented number of claims" meant that there was still a backlog of claims waiting to go on to the system, meaning the statistics will only get worse.

In Dorset, one of the worst hit flood areas, the County Council saw claims for pothole damage increase from 85 in November/December to 193 in January/February – up 127%. In January the county experienced up to 290mm of rain in some areas – almost three times the average expected at that time of year.

Worcester floods hit record levels in February and claims to the County Council also rose 400% from 25 in November/December to 125 in January/February.

To draw attention to the ongoing problem with the crumbling roads, Potholes.co.uk has unveiled a new design for temporary signage that could be adopted to warn motorists and other road users about pothole-ridden stretches of road.

Pothole damage to cars in the UK creates an estimated annual repair bill of £730million and continues to increase each year, according to research by Potholes.co.uk and Warranty Direct.

As the UK emerges from some of the most destructive winter floods on record, hundreds of roads across the country have been left saturated and crumbling, accelerating existing deterioration and creating the perfect conditions for a pothole plague.

Warranty Direct managing director, David Gerrans, said: "With potholed stretches of road affecting many road users on a daily basis, there's now real cause to create dedicated signage. Let's give people a fighting chance of avoiding unnecessary garage bills or even personal injury.

"If road signs can warn of falling rocks from above then why not craters from below? The average bill for pothole damage now runs at £247, so a sign only needs stop a couple of incidents to justify the expenditure. The embarrassment will be for the Government in just how many signs need to be put up – there's one pothole for every mile of road by some estimates."

As a result of the heavy rainfall damaging roads, campaign website Potholes.co.uk had more than 1500 potholes reported across the UK in January and February alone, by motorists who had either damaged their vehicles or were trying to warn others of the hazards.

One site visitor reported hitting a submerged pothole whilst driving back from Elstead towards Puttenham. With rain water making the deep crater almost invisible, they drove through it cracking their alloy and bursting the tyre in the process.

The BMW M5 30 Jahre Edition – The Most Powerful Production BMW ever offered in the UK

TO CELEBRATE 30 years of the BMW M5 – the founder member of the high-performance business Saloon segment – BMW has created an exclusive, special-edition of the current, fifth-generation model boasting performance that sets it apart from its stablemates. The BMW M5 30 Jahre Edition (30 years of the M5) will be produced in a limited run

of just 300 vehicles worldwide. Only 30 cars will come to the UK.

Developing 600hp and peak torque of 700Nm, this special-edition (combined fuel consumption 28.5mpg; CO2 emissions: 231g/km) is not only the most powerful BMW M5 ever to emerge from series production under the aus-

pices of BMW M GmbH, but also the most powerful production car in the history of the brand. The M5 30 Jahre Edition sprints from zero to 62mph in a lightning fast 3.9 seconds. Its BMW Individual-inspired looks and dynamic and comfort-enhancing equipment make this special edition M5 set to be a highly desirable collector's item.

Further increased performance.

Under the bonnet of the BMW M5 30 Jahre Edition is a 4.4-litre V8 engine with M TwinPower Turbo technology and an output of 600hp, 40hp more than the standard model. This power boost has been achieved through carefully calculated tweaks to the engine management and an increase in charge pressure.

The foundation for these upgrades was provided by the Competition package – itself a car that already came with a power upgrade. Conceived to appreciably enrich the handling characteristics of the BMW M5, it can be ordered as an option for the regular model and is part of the special edition's standard specification. The Competition package comprises modifications including a revised chassis set-up with firmer spring/damper tuning and a 10mm drop in ride height. Added to which, the Active M Differential on the final drive gains its own control unit to further improve traction. Elsewhere, the steering with M-specific Servotronic function has more direct mapping and the M Dynamic Mode of the DSC (Dynamic Stability Control) system is focused even more keenly on delivering sporty handling.

Exclusive design exudes dynamic performance.

In keeping with the anniversary celebrations which have inspired its creation, the special-edition model has been given the BMW Individual treatment. As a result, it cuts a more dynamic, head-turning figure than its standard siblings. The striking BMW Individual Frozen Dark Silver metallic paint accentuates the elegantly muscular forms of the BMW M5. The kidney grille surround, gills with '30 Jahre M5' badge on the front wing, door handle inserts and twin exhaust tailpipes all come in black chrome. The same is true of the 20-inch bi-colour M light-alloy wheels.

The interior of the BMW M5 30 Jahre Edition includes exclusive touches to highlight the anniversary. The driver and front passenger will be greeted by '30 Jahre M5' lettering on the front door sill finishers, while a plaque bearing '30 Jahre M5' and '1/300' inscription is integrated into the Dark Aluminium Trace interior trim. The '30 Jahre M5' logo is also embroidered into the backrests of all four of the high-performance Saloon's seats.

Devon & Exeter League

Round-up

by Collin Goodwin
FOR over 100 years LAPFORD village football club have been trying to win a trophy, and finally they have done it!

Cheered on by a 200+ crowd, Lapford beat Division Five title rivals LANGDON 4-1 in a winner-takes-all encounter.

So the villagers at last have something to show off at the Malt Scoop Inn, their adopted headquarters.

Goals from Harry Leach, Guy Hoskins, Jack Lee and Dom Stapleton did the business for Lapford, but it means a sporting Langdon do not even finish runners-up as ST MARTINS took that slot with a 4-0 win at home to DUNKESWELL.

Jubilant Lapford secretary John Burrows who has been at the helm for 30 years says he has never witnessed a day like this before.

In Premier TIVERTON TOWN managed a jittery 1-0 win at SEATON TOWN, Danny Bailey scoring, and will finish as runners-up if they do not lose against Hatherleigh at Hemyock next Thursday.

NEWTON'S hopes of second place were almost ended after they were held to a 2-2 draw by CHARD TOWN.

HEAVITREE UNITED achieved the great escape with a 3-2 win against former champions FENITON who finish fourth, and who were saving something for Sunday's East Devon Senior cup semi-final at home to the University.

The Heavies victory means Clyst Valley who lost 4-1 at home to the University will finish in the bottom two.

TOPSHAM TOWN are currently last following their 3-1 defeat at home to a rejuvenated BEER ALBION, but the tops could overtake Clyst if they beat Newtown on Tuesday night.

Runners-up in Division One will next be decided until next Friday when BOW AAC play their last game at the UNIVERSITY, but the college were busy defeating TIPTON ST JOHN 5-1, and Tipton are now just one loss away from possible relegation.

WITHERIDGE won their penultimate match 4-0 against EAST BUDLEIGH with Tom Williams scoring twice, while EXMOUTH AMATEURS drew 1-1 with BICKLEIGH, the first time they have shared the points this season.

EXWICK VILLA won their last game in Division Two 2-1 at COLYTON, and will be runners-up unless HONITON TOWN, who beat CREDITON UNITED 5-2, win their last two matches.

Tim Genders (2), Brad Groves, Matt Brown and Brett Sellick (pen) scored the goals in Town's latest win.

Honiton could still catch leaders DOLPHIN who are aiming to be champions if they do not lose at PINHOE on Tuesday evening.

Crediton's defeat means they are in great danger of being overtaken by relegation rivals CLYST VALLEY surprised LYMPTONE 2-1.

Long time leaders UPTERTY have endured an agonising wait to be Division Three champions, and their worst fears were founded as the UNIVERSITY beat CHULMLEIGH 3-2 to snatch the title. Chulmleigh finish third.

The UNIVERSITY'S 5th team are up to second place in Division Four following their 3-0 victory at NORTH TAWTON, and victory at THORVERTON on Tuesday will secure that slot.

Defeat would mean CHERITON FITZPAINE could finish second if they win their last game a week on Sunday against NEWTON.

WINKLEIGH won just their second match of the season 3-2 against BAMPION with a last minute strike from Nathan Puddefoot.

Matt Dennis had the other two.

OTTERTON beat NEWTON ST CYRES 3-0 in Division Six which makes their trip to UPLOWMAN ATHLETIC on Tuesday night a title decider.

Charlie Coplestone, Kev Pitt and Si Tuley scored the Rollers' goals.

Third place is still up for grabs with TOPSHAM in the hot seat having finished their season. STARCROSS GENERALS were 4-2 winners at EAST BUDLEIGH and with three matches to play look favourites to come good.

HALWILL who won 5-1 at AMORY GREEN ROVERS are still in with a shout if they win their remaining two matches.

OTTERTON ST MARY have managed to save themselves from the drop after their 2-0 victory against EXWICK VILLAGE, who in turn could be relegated along with East Budleigh.

ELMORE finished third in Division Eight after winning their last match 5-1 at SANDFORD.

DOLPHIN won the Bill Slep cup in midweek 2-1 against NEWTON ST CYRES

with goals from Danny Hall and Ben Murby to earn manager Tony Voysey the one trophy that has eluded him in over 20 years.

ALPHINGTON won the Geary Cup 1-0 against LANGDON at Budleigh Salterton.

The Football Express Cup final is being played at Crediton tomorrow night between LANGDON and MORCHARD BISHOP with a 7pm kick-off.

AXE CLIFF with Helen Kenworthy
ON Friday, May 2nd over 30 Seniors took part in a new Competition introduced by Captain Rob Grove.

It was played by teams of three on a Stableford format, with one score per team being recorded on the card on par 5s, two scores on par 4s, and all three on par 3s.

In a closely contested game two teams scored 73 points and the winners on countback were Dave Weston, Bill Polley and Rob Grove. Second place went to Phil Christmas, Geoff Hubbard and John White. Third with 70 points were Rob Heard, Hugh Willis and Mick Tomes. John Mant recorded the only 2.

The Mens Section played their May Medal on Sunday, results: Division One - 1st Chris Glover nett 67, 2nd Stuart Mackie nett 72. Division Two - 1st Peter Petherbridge nett 72, 2nd Dave Morgan nett 74 - there were three 2s; Stuart Mackie, Chris Glover and Dave Morgan.

The Ladies played an E.G.Medal and Centenary Cup on Wednesday 1st Sandra Walker, 2nd Helen Kenworthy and 3rd Margaret Kenchington.

On Sunday 4th May a 1st round draw for the Devon County Palariet Cup was played at Axe Cliff, Budleigh Town v Padbrook Park, Budleigh Town being victorious by 4 matches to 1.

HONITON with Andy Wagner

ONCE again the weather was the course's best protection as members played through passing showers and changing winds.

None of this deflected Richard Townsend in Div1 from his purpose as he ploughed on to a creditable under par nett 68 ahead of Jim Wallis, 71 and Ian Atyeo 73.

Division 2 saw Darren England's nett 69 victorious with Buzz Harris and past Captain Dave Morgan close behind on 70.

TUESDAY MIXED

THE Club had a very busy weekend with three Mixed events. Saturday was the annual Fitch competition - open to married couples only - played as a Foursomes Stableford.

The prizes, wine and vouchers, were presented by Club Captain Ron Graham and the winning couple were Olwen & Bill Eaton with 34 pts. Closely following with 33 pts were Jan & John Dickinson. No 2s were carded so each player received one golf ball.

Sunday brought the first Mixed Match away to Bridport. Eight couples participated and the Captain of the day was John Dickinson.

The results were; Honiton 3 1/2 to Bridport & West Dorset's 4 1/2.

Monday was the President's Trophy - Foursomes medal - which then continues into knock-out Matchplay.

The best score of the day was Catherine & Charlie Doherty with 72 nett. In 2nd place were Anne Davies & Alex Gosling with 72.5.

Once again no 2s were carded so this then became a ball draw.

LADIES SECTION

THE winners of last year's monthly medals this week competed for the best overall position and winner of the 2014 Medal Trophy.

This year the trophy went to Joan Smith with a score of net 73. Elizabeth Ward was runner-up with net 75.

On the same day the scores these two players achieved in the Medal Trophy also took them into the prizes for Silver Division in the monthly medal competition with Joan in 1st place and Elizabeth in 2nd.

First place in Bronze 1 Division went to Linda Northover with net 75. Christine Luttman was 2nd with net 77 followed by Janet Hughes in 3rd just a point behind on net 78.

Linda McLaughlin came in 1st place in Bronze 2 Division with net 79, while Jan Portlock was 2nd with net 81. In the 9-hole Stableford 1st place went to Maureen Tollemache.

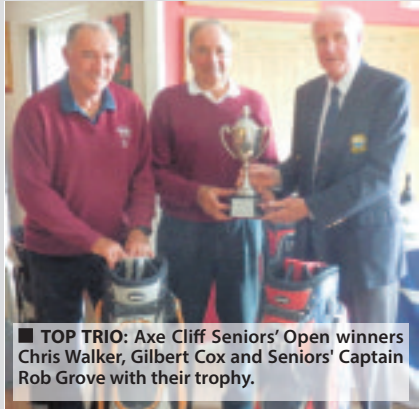

SENIORS SECTION

THE seniors played a pairs better-ball competition for the Anniversaries Salvors in a strong and gusty wind.

Eric Short & Max Pipe were the best players on the day with 40 Stableford points. Mike Watts & Pete Morgan were runners-up with 38.

One point behind were John Dickinson & Pat Purtell.

The last pairs to collect prizes were Jack Phillips & Andy Sharland who beat Bob Canterbury & Tony Williams with a better back nine score.

■ TOP TRIO: Axe Cliff Seniors' Open winners Chris Walker, Gilbert Cox and Seniors' Captain Rob Grove with their trophy.

OPG snatch top spot as Flamingos are felled

WITH Pixies without a game last week's matches brought an opportunity for OPG to go top if they could get the better of Flamingos.

Although Flamingos started with a two-goal advantage by half way OPG were in command with a 21-17 lead and with Tracy Moran calling the shots from centre.

Although Lisa Pemberton worked hard for Flamingos they were always chasing the game and only just managed to gain a point from their 27-53

defeat. The OPG win saw them replace Pixies at the top of the table.

Sidmouth Toucans are still looking for a win after four games after suffering another reversal at the hands of Hi Q. Toucans, with Helen Terry in fine form were holding on to their advantage at half way by 38-35.

The third quarter saw Hi Q draw level at 47-47 leading to a tense last quarter. With Laura French playing well Hi Q moved on front and held on to record their first win by 58-51

and move up to 7th place.

Blackdown Ladies were in action for only the second time this season when they met Howden Hawks and both were looking for their first win.

Blackdown started with a four goal advantage and by quarter time Howden were level at 48-48.

With Nicki Snell playing well for the Ladies they were 57-55 in front at the end of the third quarter. Jill Partiss worked hard for Hawks but Blackdown held on to win by 63-62 and

push Hawks to the foot of the table.

Tip Top Trees and JD Tyres had both had similar starts to the season but the honours went to JD who started with a two-goal lead and increased this to win 64-50.

Tanya Broom was in fine shooting form for JD whilst Ellie Gillan had a fine game for the Trees.

Beer Blazer series a sunny success

AXE VALLEY RUNNERS

with Dave Mutter

BEER Primary PTFA members were anxiously hoping the strong wind would not be accompanied by heavy rain for the Beer Blazer series of races. Fortunately for most of the morning the sun shone and a crackling time was had by all.

The first races off were the 10K and 5K events run over very challenging terrain, including the 1K hooken beach and the climb up the cliff.

AVR's Tim Lenton was the victor in the record 131 field for the 10K in 43:35, over a minute ahead of John Nolan with Steve Millward of Gloucester AS 3rd, 45:05.

Amy Greenhalgh cruised to victory in the ladies event, 6th overall, 49:46. Tracy Judge of All Saints Primary School 3rd, 24th overall, 56:35.

There were some fine performances from the AVR gang with Alex Todd 5th, 49:04 and Ethan Day 20th, 55:52 beating dad Jon by three seconds.

Ian Apps was 27th, 56:39; Eleanor Wood 33rd, 57:30; Carol Austin 37th 59:26 and Steven Lewis 44th 1:00:42. Hanna Bramley had a great race to be 48th, 1:02:16 with Alan Morbey 50th, 1:03:48.

The next six had a ding dong battle all the way round, with the final order being young Cameron Hill 53rd, 1:04:07; Dave Mutter 54th 1:04:39; Steven Maclure 55th, 1:04:42; Margaret Pearce 57th, 1:04:55; Dan Ayling 58th, 1:04:56 and Richard Hale 64th, 1:05:30.

Andrew Sayers was 75th, 1:07:27; Anna McLoughlin 78th, 1:07:55; Chris Hill 79th, 1:08:00; Mark Harding-Perritt 85th, 1:09:41; Rebecca Lippett 90th, 1:11:45; Tracey Anning-Beckett 100th, 1:13:38; Angela Kerr 108th, 1:15:13; Crista Bramley 121st, 1:22:29; Martin Kerr 123rd, 1:22:46 and Kirstin Harwood 126th, 1:25:42.

In this race the best of the human spirit came to the fore when a Honiton runner took a tumble. A fellow runner comforted her while another ran back to get help from the coastguards thus ruining their time for the run.

There was a record 43 finishers in the 5K won by young Rory Morgan from Beer representing Sidmouth College in 24:27, with AVR's Ollie Caute 2nd, 24:33 and Honiton RC's

Iain Ross 3rd, 25:12. AVR's Mia Bartlett was the first female home, 10th overall, 27:57 with Florence Swann from Honiton RC 2nd female, 11th overall, 29:06 and Beer's Lizzie Trewick 3rd, 17th overall, 33:57.

Ben Franklin had a fine run finishing 4th, 26:43; Stephen Morbey 12th, 29:06; Matt Thurgood 14th, 30:35; James Trewick, running with his sister Lizzie was 18th, 33:57 and Emma Lewis 25th, 37:31.

The one mile junior fun run attracted a large field of 79 and the girls winner was Holly Bigger with Imogen Waterhouse 2nd and Hatty Tremlett 3rd. Cameron Bryson was the boys winner followed by Harry Gird with Ethan Gribble 3rd.

Many thanks to the hard working members of the Beer Primary Scholl PTFA and their sponsors Pecorama, Wadden Farm Estate, Fred Hansford Carpets, R & H Signs, Clinton Devon Estates and Beer Head Caravan Park for putting on another great event that will hopefully earn around £2,000 for the PTFA.

Julie Rowe donned a hula-hula outfit to run the **Bideford 10k** race on Sunday.

This is a flattish road race along the road to Instowe, returning along the river by the Tarka Trail.

Julie did well against a strong wind to finish 253rd in 51:33. Graham Newton came in 60th out of 600 runners to beat his own PB by 33 seconds, winning the over 65 male title in 42:42, while Diane Newton was astounded to take the 2nd lady over 60 prize in 1:05:31.

Meanwhile, Emma Kiernan ran the **Bristol 10K** in a brilliant 43:29.

HONITON RC with Judy Davy

THE bank holiday sunshine on Monday, 5th May brought out several Honiton Runners to brave the **Killerton 10K** and Half Marathon races organised by Relish Running Races which specialise in Hills!

So it wasn't a surprise that the routes seem to find as many different ways as possible to climb the wooded hill behind Killerton House.

The Half Marathon course was twice around the 10K route.

Howard Bidmead and Tony Peek had both pre-entered for the Half Marathon course and they managed to persuade Louise Crisp to join them.

It was a wise move as Louise did a

great time overtaking Howard at the start of the second loop and finishing in 24th place in 2 hours 3 minutes. Howard finished just behind in 2:07. Tony Peek came steaming in at 2:12 to finish 38th. There were 72 finishers.

The Half Marathon was won by Milan Goc from Sidmouth an ex-Honiton Runner.

Rod Inglis came in at 50:06 in good form enjoying the route complete with bluebells. He was followed by Roger Saunders in his come-back run following injury. His time was 55:59 saw him win a prize as first in category.

Joe Daly came in at 61:01. Finally Helen Saunders made this her first race after graduating from the beginners group at the club and finished looking very fresh in 64:17. 195 runners completed the race.

Last Sunday saw a few more Honiton members out taking part in Beer Primary School's Beer Blazer 10k and 5k starting and finishing at

Pecorama.

The 10k course covers some of The Grizzly's toughest terrain including The Stairway to Heaven and a fair chunk of Branscombe Beach.

The race was won by local Axe Valley Runner Tim Lenton in the impressive time of 43:35. First Honiton runner home was Ben Stone in 50:04 and 7th place.

Chris Entwistle was next back coming 10th in 53:18 with Richard Harvey closely following coming 13th in 53:52.

Richard was a little concerned that Rod Inglis may overtake him as he had an incredible run to finish one place later in 54:20.

Rod had overtaken Steve Davey for the first time ever in a race and Steve had to be content to come 18th in 54:55.

Richard Harris was next back coming 22nd in 56:04. Howard Bidmead put in a great run to finish 31st in 56:57 just holding off Honiton's first lady, Ceri Oak who finished 32nd in

57:18.

Simon Spiller finished 42nd in 1 hour 17 seconds. Judy Davey finished three places and 10 seconds later. John Burgess was next coming 89th in 1:11:24 and completing the 10k line up for Honiton was Kathy Layzell who came 101st in 1:14:31. There were 131 finishers.

Pippa Westall had also begun the race but having completed the hardest parts she fell over and ended up being given a lift back and receiving emergency first aid to a nasty gash to her arm.

The 5k distance enticed three Honiton juniors out and Iain Ross had a great run to finish 3rd overall in 25:12.

Jack Elsom was just two places later in 27:02 and Florence Swan came 2nd girl finishing 11th overall in 29:06.

Also on offer was the mile long fun run which saw junior Jasmine Stone and her younger brother Harrison taking part.

Feniton close to clean sweep of victories

FENITON with Roger Smith

BOTH mens teams enjoyed wins in the over 60s league. The A team won 37-32 away at **Exeter St Thomas A**. The winning rink was E Cox, P Edmonds & A Evans 28-9.

The B team maintained their winning start to the season defeating 32-28 **Uffculme B**. The winning rink was T Young, C Maynard & D Evans 28-9.

The ladies played a friendly match at **Chardstock** and won by 40-26. The winning rinks were: J Evans, A Coyne, Ru Clarke & J Smith 22-11 and G Blackmore, A Pritchard, J O'Sullivan & G North 18-15.

The mixed team enjoyed an excellent 128-85 win against tourists **Westlecoot**. The winning rinks; were A Coyne, G Skinner & D Evans 28-10, J Evans, L Ley & D Coyne 25-10, G Blackmore, R Cooke & K Lovering 23-14, J Lovell, A Smith & P Spreadbury 21-16 and B Halse, R Clarke & C Granger 18-14.

In another thrilling match they narrowly lost 107-110 to visitors **Bridport**. The winning rinks were; M Evans, J Smith, S Goodenough & E Rolph 21-9, G Smith, J Skinner, G Phillips & K Lovering 25-14 and Ru Clarke, L Crook, R Cooke & D Coyne 17-16.

SEATON with Linda Stone

THE week began with a match between the ladies and the men on Bank Holiday Monday. The score was two rinks all but the ladies lost overall by five shots.

On Wednesday Seaton Over 60s mens "A" team took new ground when they visited **Okehampton**, a round trip of 94 miles, to play

Okehampton "A".

Seaton adapted better to the blustery conditions and ran out winners by 36 shots (49-13). The top triple was Ivor Steer, Ron Rowley & Les Tooze.

Meanwhile the C team played **Tiverton** and won 43-35 gaining all six points. Top triple was Reg Pluck, Peter Griggs & Roy Sykes.

On Friday we entertained **Heavitree**. At tea time there was only one shot in it, but tea did us a power of good, and we won on all four rinks, winning overall 100-65. The top rink was Angie Mayhew, Alice Carter, Bob Scull & Ron Rowley.

Saturday's friendly against **Bradinch** was cancelled due to heavy rain showers.

On Sunday the ladies sent a team to **Honiton** to play the first round of the Grace Matthews competition.

All of the five disciplines were contested. Angie Mayhew won the two wood singles, and the pairs was won by Pat Whitworth & Di Morley.

The four wood singles and the triples were both won by Honiton leaving the deciding rink game to be completed. It was a nail biting finish.

After 19 ends Honiton were winning by three shots. Seaton took the lead by two shots in the 20th end. They consolidated this with a further shot on the last end giving Seaton the overall win.

Mention must be made of the 'Hot-Shot' achieved by Di Morley & Pat Whitworth on their final end.

The open mornings on Saturday and Sun-

day were really well attended and enjoyed by many potential new bowlers.

Coaching starts for new bowlers on Saturday, (May 17th) at 10am and on Monday (May 19th) at 10.30am.

If anyone is interested in joining in please ring David Ford, Club Coach on 01297 22349.

HONITON with Tony Broughton

ON Monday the ladies played **Crediton** at Honiton in the East Devon Ladies League. Honiton won this league last year at the first time of asking.

Well it did not start well this year winning one rink and losing the other and the match. The second match on Friday in the same league did not go any better playing **Madeira** at Honiton they lost both rinks.

They did much better on Wednesday away at **Sidmouth** in their first year of the over 50s Ladies Triples League when Lynda Dommett, Carole Pidgeon & Brenda Harris drew 21-21 and Joan Mackintosh, Carol Armitage & Carol Smith won 22-10 winning the match and five points from six.

Next day the first match in the Two Counties League, (Devon & Somerset) against **Ottery St Mary** at Honiton.

An excellent result winning three of the four rinks and drawing the fourth winning the match overall by 84-44.

Also on Friday four Triples travelled over to Taunton to play **Vivary**. They lost the match 50-80 but the Tooley brothers, Dave and Tony accompanied by Owen Cleverdon, had a convincing rink win 20-15.

On Saturday **Sidmouth** got their own back when two mixed rinks went there to play in the National Two Mixed Fours knock-out competition.

Trevor Pipe's rink were 14-0 down before there hospitality cup of tea had gone down.

The second team of Dulcie Broughton, Shirley Hiscocks, Mike Dart & Ken Large had a tough game but came out 19-15 winners. Trevor's team never recovered from the poor start and lost by 18 shots.

Finally, on Sunday **Seaton's** ladies visited Honiton for the Grace Matthews County Top Club competition and went home winners.

Dulcie Broughton, 2 Wood Singles, had a tough match losing 16-14. Tracy Crawford & Shirley Hiscocks lost heavily in the pairs.

Carole Pidgeon, Ann Hillyear, Carol Smith & Julie Grant were unlucky to lose the Fours by three shots after dropping five on the 20th end. The triples, Joan Heard, Lynda Dommett & Sue Evans won as did Carole Binmore in the 4 wood Singles.

Exeter Over 60s League.

Division 6: 'A' Team against North Tawton C. Gerry Stafrace, Ernie Gregory & Mike Uniacke won 20-12. The others lost 13-18.

Division 4: B Team against Heavitree 'B'. Barrie Singleton, Bill Sheerman & Tony Broughton won 22-11. Others lost 13-23.

Division 1: C' Team against Madeira 'A', last year's Champions. Denis Hillyear, Keith Parsons & Eddie Sharman won 22-18. The others lost 17-20.

All teams played at home and all gained 6 out of 10 points.

Double century opening stand at Sidmouth

WITH the football season almost at an end attention turns to the local cricket scene.

Unfortunately, heavy showers throughout Saturday put paid to the majority of the matches in the local area.

Up in the Devon League Premier Division Sidmouth openers Josh Bess and Liam Lewis both hit hundreds in a magnificent 222-run partnership against Cornwood.

Bess was dismissed for 110 and Lewis 111 as Sidmouth closed on 248-4 and then proceeded to shoot out their visitors for just 95 with Dan Babula taking 4 for 31.

In Division C Ottery St Mary thrashed Kingsbridge by 187 runs to bank 20 points.

B Read (74no) top-scored for the Otters in their total of 240 for 8. Kingsbridge stumbled to 53 all out with the wickets being shared.

Just one game survived in Division D with seamer Phil Tansley taking four wickets in four balls but still ending up on the losing side!

Tansley's Honiton side batted first at Seaton and scored 154-8 with Ben

Libby claiming 4 for 24. In reply Seaton reached their target for the loss of eight wickets with Niall Waterhouse top-scoring with 36.

Seaton were due to begin the defence of the Corinthian cup tonight when they travel to face Topsham.

There was just the one game played down in Division F with Uptontery entertaining Newton St Cyres.

The visitors could only muster 93 for 8 and the Otters cruised home with Ollie Rice clipping an unbeaten 51 as they reached 94 for 2.

The only other local team to take the field was the Sidmouth 3rd XI who had a successful trip to Braunton in the 2nd XI Division B.

The hosts could only muster 91 which Sidmouth overhauled for the loss of three wickets.

♦ **FOOTBALL:** To return briefly to the dying embers of the South-West Peninsula League (Division One east) season both Axminster Town and Sidmouth Town completed their campaigns by

adding to their respective points tallies. AXMINSTER TOWN finished with a 5-3 win over lowly Plymstock United on Bank Holiday Monday afternoon.

Ben Turner moved up to 14 goals with the team's first hat-trick of the season.

Jamie Barfoot and Gary Knight bagged the other goals for the Tigers who extended their unbeaten run at their temporary Colyton Grammar and Feniton homes to seven matches.

Meanwhile, SIDMOUTH TOWN were held to a 1-1 draw by Liverton on Saturday.
